

Saturday Afternoon Sculpture Workshops

Does your child want to create a sculpture for Sculptures @ City Beach but you don't know where to start?

Maybe you don't have space at home? Maybe you don't have tools and materials? Maybe you don't have time?

We understand!

To support more families prepare for Sculptures @ City Beach, CBPS will offer a program of four workshops with artist Jodie Davidson supported by the children's art teacher Sue Girak.

This is an amazing opportunity for your child to learn how to plan, design and build a sculpture with expert instruction, tools and materials supplied and opportunity to leave sculptures in the art room until the exhibition.

The program will run over four Saturday afternoons. Each workshop is different and intended to guide your child to plan and build their own sculpture from start to finish.

**Saturday 6 August, Saturday 13 August,
Saturday 20 August and Saturday 27 August**

Time: 1:30pm-4:30pm
